

Plants that can be mistaken for Japanese Knotweed

Key ID Features

Dogwood

Dogwood

Dogwood

Some types of Dogwood, Lilac & *Houttuynia* plants often mistaken for Japanese Knotweed.

Plants that can be mistaken for Japanese Knotweed

Dogwood

Lilac

Flowering *Houttunyyia*

N.B. Knotweed stems are not at all woody, so anything with bark that can be stripped or twigs that snap to show a solid, woody core are not knotweed.
